Requests by students for Undergraduate Research must be accompanied by a written proposal describing the exact activities to be engaged in for the credits. The proposal must be presented to the instructor for review and approval. If approved by the instructor, a statement must be attached by the instructor indicating the process to be used for evaluation of the student's achievement and assignment of grade. Such documentation will be retained in the departmental office and must be available to the College Dean or Vice President for Academic Affairs upon request.
