

## Employment Opportunity

Our Brand Statement is simple: Paws Up is a one-of-a-kind resort designed to deliver memories that will last a lifetime. Paws Up provides an authentic, unique, and exhilarating experience of the unspoiled American West - unpretentious, uncompromising, and incomparable.

Become part of the team that brings this vision to life. The Resort at Paws Up® is always seeking qualified team members who have a passion for people and who wish to be part of an exceptional team while delivering a five-star guest experience. We're looking for someone who knows native plants. The job is basically care and daily maintenance of wild flowers and shrubs. The job starts in early May and runs thru October or until the person returns to school. It pays \$10 per hour plus tips, 40 hours per week. Free lunches are served from June thru Sept. and there is a free shuttle from Missoula and /or a carpool reimbursement. Employee housing is also a possibility. If anyone is interested people can contact Bob White.
