

YELLOWSTONE CLUB

JOB POSTING - EXTERNAL

Yellowstone Club is paradise in Montana. A private residential community in Big Sky, Montana, Yellowstone Club offers its Members the world's only private ski and golf community. With fabulous skiing and snowboarding and the most gorgeous spring and summer weather to enjoy the 18-hole golf course, rivers, hiking, biking, and more, our Members love being a part of this exceptional community. Our employees make the Yellowstone Club experience come alive. If you would love being a part of the Montana charm and providing the highest level of guest service, ensuring no detail is too small to overlook, and being a part of creating experiences, then Yellowstone Club is looking for you.

Yellowstone Club's is looking for a Landscape Intern to join their Golf Maintenance Team. Employee Housing is included for the Summer Season.

The purpose of the Landscape Intern is to support the Landscape team with daily maintenance around the club.

Responsibilities Include:

- Ensure that each member and guest receives outstanding guest service in a guest friendly environment which includes greeting and acknowledging every member and guest, maintaining outstanding service standards, solid product knowledge and all other components of guest service.
- Empowered to guarantee total guest satisfaction, display hospitality and professionalism to our guests at all times, take pride in representing Yellowstone Club professionally with our Members and guests and assure that all transactions with guests are handled in a legal and ethical manner.
- Understand and apply all property safety and security procedures to maintain a secure and safe environment for employees, Members, and guests at all times. In the event of an accident or emergency, seek medical attention if necessary and contact the General Manager or Human Resources immediately.
- Maintain a favorable working relationship with all company employees to foster and promote a positive working environment.

Position Requirements:

- Perform the gardening, mowing, raking, trimming of the landscape grounds.
- Prune the ornamental trees and shrubs around property.
- Perform the spring and fall clean-ups for Yellowstone Club grounds.
- Maintain all landscape plantings which include watering, weeding, fertilizing, and general upkeep.
- Perform hand digging, lifting, and physical work where needed.
- Complete mowing, trimming, and rock work to specification by operating landscape maintenance equipment.
- Support the Greenhouse team with designing, planting, and maintaining flower planters and beds through out the club.
- Perform all duties and responsibilities in a timely and efficient manner in accordance with established Club policies, procedures, and standards of service to achieve the overall objectives of this position.
- Meet departmental productivity, organization, punctuality/attendance and consistency standards.
- Maintain a positive and respectful attitude.

The position offered is a Full Time, seasonal position located in Big Sky, Montana

Yellowstone Club offers great benefits including free public transportation from Bozeman to the Club upon hire and a complimentary meal each shift. Plus, you get to work at one of the most incredible places on earth. For more information about the Club, visit www.yellowstoneclub.com.
